Dear Parishioners of St Christopher's Cathedral Parish,

I hope this note finds you and your families well. These days have certainly been challenging ones to say the least, and they will continue to affect much of our 'routine' for a time to come. Please know that prayers and Masses continue to be offered daily for your intentions. As a priest I can not express enough how much I look forward to being able to gather with you all again soon. Thank you for your continued patience and witness of faith, I know it has been difficult. Our focus now turns to reopening our churches and gathering as a community once more for the Mass and the sacraments.

As we approach the end of the financial year we want to ensure that we have your most up-to-date contact details. The importance of this has become all the more clear during Covid-19 as we have struggled, with mixed success, to keep in touch and keep pastoral contact with parishioners and friends of our Parish. Up-to-date information also allows the parish to keep you informed with the most recent parish developments, including bulletins, sacramental times, funerals arrangements, as well as, lastly, being able to better communicate with those who contribute financially to the support and running of our parish. It is this last point I wish to speak of here.

We are most grateful for the generous encouragement we have received over the last months and for any financial support you have been able to contribute. Like many others in our community the parish has been hard hit by the coronavirus in more ways than one. Sadly, so many families and businesses of course find themselves in a similar situation.

If you are able to assist the Parish financially via weekly envelopes or monthly credit card deductions, please see the Cathedral Parish **Planned Giving form for 2020/2021**. We would be most grateful if you were able to complete the form and return it via email (cathedral@cg.org.au) or to the Parish Office (+61 2 6239 9846). Please do so by Friday 19th June 2020 so that Planned Giving envelopes might be available for collection from Church foyers or from the Parish Office in the first week of July.

Each person's capacity to give is different and you are never asked nor expected to give anything more than is reasonable. For those who might be able to increase their giving by 2 dollars or more a week, this would prove an immense help to the parish and we would be very grateful. At the same time, if you are unable to contribute monetarily to the parish, do not think that you are not contributing – all of us must continue, now more than ever to contribute by our presence in the parish community and our continual prayers for each other, our parish and our world.

God has given so much to us. We have so much to be thankful for. We have so much to give to one another and contribute to the whole body of Christ and to His mission.

June 2020 marks one year since Fr Norvin and myself arrived in this wonderful parish and what a year it has been! In such a difficult period for so many, I thank you for making our parish a home of welcome for all who seek God and a place at His table. With open hearts let us continue to grow in faith, knowledge and generosity for the Greater Glory of God and for his blessing upon all of us, His children.

In Jesus who came to serve,

Fr Trenton. (on behalf of the Parish Finance Council.)
