Let Our Yes Be Yes

We admire parents and educators who are so patient with the young that when they make mistakes or refuse to take up their responsibilities, they give them time to change their mind. That is what God is doing all the time with us. He patiently waits for us. He gives us new chances. Could we do the same with one another? Let us ask Jesus in this Eucharist that with him we may always say Yes.

We acknowledge the Ngunnawal peoples, Aboriginal peoples and Torres Strait Islander peoples, who are traditional custodians and first peoples of this land. We pay respect to their elders past and present. We acknowledge that they have occupied and cared for this land over countless generations and we celebrate their continuing contribution to the life of our city and region. We also extend our respect to all Aboriginal peoples living in our community.

St Clare's College | Following the release of the Catholic Archdiocese of Canberra Goulburn Education Limited (CACGEL) [Apostolic Action Plan](#), CACGEL is conducting community consultation on a proposal to transition St Clare's College from a single-sex college for girls to a co-educational model. This has raised significant concern within our College community. St Clare's Community Council invites parishioners to submit feedback on the proposal directly via email to CACGEL and/or copy in the Community Council. community.consultation.scc@cg.catholic.edu.au; communitycouncil.stcc@gmail.com
