### The Mountain Experience

There are moments in everyone's life when we see difficulties ahead of us, especially when we are facing important decisions. Jesus saw ahead of him a growing opposition from the religious leaders of the people; they would kill him if he proceeded with his mission. Yet he would carry out that task, and so he went up the mountain to pray that the Father would give him courage. In the vision of the transfiguration he saw how he would rise from the dead and succeed. We pray with our Risen Lord among us that we too may see his light, and by his strength make the right decisions.
