Ready for the Lord

When they hear that they have to be vigilant and ready for the Lord's coming, many people think that they have to be ready for death so as not to be caught unaware. Much more than this is meant. We have to learn to meet the Lord now in the many ways he comes to us: as our companion on the road of life, in our neighbour, in our prayer, in the celebration of the Eucharist. These will prepare us for the final encounter. Let us pray the Lord that he makes us attentive to his constant presence among us.
