## Jesus Christ our King

23rd Nov 2025, Christ the King

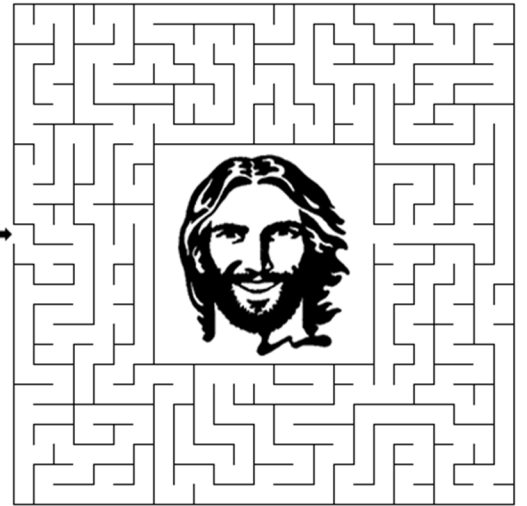

We think about Jesus as a baby born in a stable at Christmas time. We hear about him growing up with Mary and Joseph. We listen to his words as he preached to the people. We are amazed at the how he healed the sick. We are sad when we hear how the people turned against him and how he died for us. We believe that he beat death and rose again to show us the way to eternal life with God. Today we think about him as Jesus Christ the King of all the Universe. Jesus who became a person just like us. Jesus who could have saved us all from heaven but wanted us to know him and how much he loves us.
