When we help others, we help Jesus!

In the Gospel this week, Jesus tells us that loving God means loving and caring for other people. He explains that when we help someone who needs us, it is as though we are helping Jesus himself.

How did you help this week?

Draw a picture of one thing you will do each day this week to help someone. If you don't want to draw something, then you can write what you plan to do.

Tick off the things that you do during the week. If you do something different write that down.
At the end of the week, look back at what you did and think about what you can do next week.
Jesus loves you and He wants you to share His love with others.
