# God loves everyone

One day, Jesus was travelling and felt tired. He sat down by a well in a town in Samaria. A woman came to get water, and Jesus asked her for a drink.

This was surprising! Jewish people and Samaritan people did not talk to each other. But Jesus spoke kindly to her. He told her about "living water". He did not mean water from a tap or well. He meant God's love - a love that fills your heart and lasts forever.

Jesus showed the woman that he knew her and all about her life, and loved her anyway. Instead of being angry or embarrassed, the woman realised that Jesus was someone very special. She believed that he was the Saviour that God had promised.

The woman was so excited that she left her water jar and ran back to her town. She told everyone, "Come and see a man who told me everything that I have ever done!" Many people came to meet Jesus, and they believed in him too.

This story reminds us that no one is left out of God's love.

It also teaches us that:

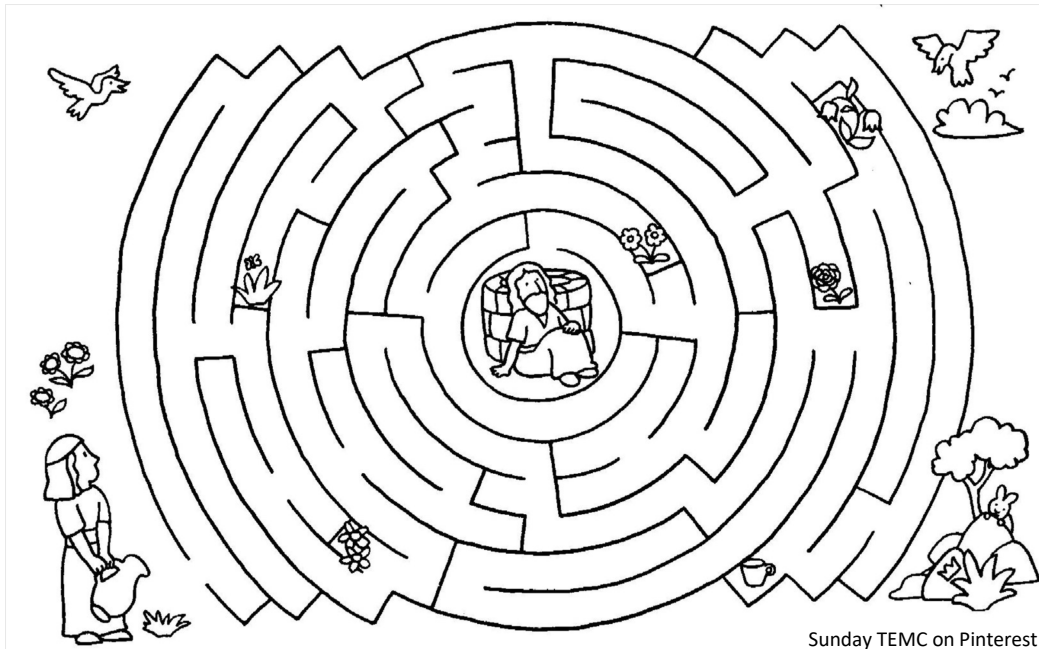

- ◆ Jesus talks to everyone, even people others might ignore.
- ◆ God's love is like "living water" - it fills us up inside.
- ◆ We can share the Good News about Jesus with others, just like the woman did.
- ◆ Jesus knows us completely and still loves us.

## A Prayer

Dear God, thank you for sending us Jesus to show us that you love everyone, no matter who they are or what they have done. Thank you for loving me. Help me to listen to You, trust You, and share Your love with others, just like the woman at the well did. Please stay close to me every day and help me make kind and loving choices. Amen.
